

Working with local private investigators Den McHart and Sylvia Price, Briars Point Police Department Detective Orlando Bateman solves a missing person case. Keeya Nilsen, visually impaired from the plane crash that took her parents lives, comes to him and has a justifiably bad attitude about love, since all the men shes ever loved have cheated on her and robbed her...including the last one, who absconded with her most prized possession--her grandfathers unpublished Blues compositions--when he flew the coop. As together they search for her last boyfriend and her missing legacy, Orlando reminds Keeya of the faith shed had before the plane crash that changed her life and makes her see love as God intends.
